When we test drove the Lexus RC F and its baby brother, the RC F Sport, we concluded that both of these cars would have been far more enjoyable to drive if they came equipped with manual gearboxes. But these cars come with auto shifters, and while they proved to be quite responsive, they still caused us to yawn after a while, thus removing
10 Cars That Are Better With a Manual Transmission
My 2001 SVT Mustang Cobra has a Tremec Viper spec T56 and I like the simplicity of a manual trans versus the added complexity of an automatic. With an auto, there are more parts and more of a chance of something going wrong. Another plus is that a manual is more fun to drive, even in stop and go traffic.
